SCORECARD®

Follow these detailed steps to enjoy Pump Rewards at BP stations:

1. Simply swipe your credit or debit card at the beginning of your transaction at a participating BP station pump.*
2. Once the card is accepted, the pump will display your discount options, for example: "2000pts=$0.50/g?" (assuming you have a rewards balance of 2000 points).**
3. Press the "Yes" button on the dispenser keypad to redeem your rewards.
4. Once the payment card is approved, the price per gallon will be reduced. If cash and credit pricing is in place, the discount will be taken from the credit pricing.
5. Select fuel grade and begin fueling.
6. Your receipt will reflect how much you saved per gallon.
